MAIL STEAMER DEPARTURES.

The following table is a chronologically arranged list of mail steamers sailing to Europe, America, Canada, and Australia. Coast ports, Manila, and

Japan are not given, for steamers are constantly sailing for those ports. All the American steamers call at Japan, and the majority of the Australian boats call at Manila, and, in addition to those vessels, special steamers run there. The departure of every steamer is subject to alteration. The P. & O. mail

usually reach London in about 28 days, and the French and German in about 28 or 30 days.
